Referral Form

Banyan House is a medium to long term residential drug and alcohol rehabilitation facility that uses the Therapeutic Community model of treatment. We accept referrals from:

- You - self-referral
- Family and friends
- General Practitioners (General Practitioners should attach a mental health care plan (if applicable) for the client to this referral form)
- Allied Health Professionals
- Community-based agencies
- Legal representative
- Other agencies

Each referral is assessed by one of our team members. If they consider the client is suitable for the Therapeutic Community Program, they will be offered an appointment to discuss the possible placement in Banyan House.

Please note: The person being referred, must be aware you are making this referral. Our staff can only talk to the referred person.

Please complete this form with as much detail as possible and one of our team will contact you.
